PROFILE

I'm a 22-year-old beginner web developer. My goal is to try an IT career and find the right place to gain experience in that field. My best qualities are versatility, time management skills and critical thinking. Also, I consider myself hardworking, responsible, and open-minded. During studying at BSUIR, I made a lot of friends and tried working in various fields such as electronics, design (AutoCAD, Illustrator, etc.), microprocessor programming (C++, C), circuitry (Altium Designer, ORCAD, PSPICE, etc.)
